

Hope of parents whose child has cancer

Laurine Milville

Thesis Director : Pascal Antoine and Sophie Lelorain

"It's almost like hope is the sunrise, you know, once you get through the really, really dark part and hope comes in, it's like it overshadows everything else, and there are no shadows"

Parent whose child has cancer (Bally and al., 2014)

Study 1:

Dynamics of hope within
the parental couple
Qualitative study

Study 2:

Questionnaire measuring
parental hope
